# THE MASTER PLAN

REVENGE IS BEST SERVED WITH DYNAMITE

Sills Photographer: Niklas Maupoix

## SYNOPSIS:

When his mentor and best friend is murdered, Charles creates a master plan for revenge. With the help of vain conman Vanheden, depressed explosives expert Harry, and the locked-up escape artist Rocky, he and this perfectly odd crew perform the ultimate heist.

The Master Plan is a combination of an entertaining Nordic Noir and classic comedy heist feature where a dedicated team of conmen laugh all the way through revenge.

CREDITS NOT CONTRACTUAL

## DIRECTOR - ALAIN DARBORG

Alain Darborg, born 1981, He directed the successful thriller comedy show and *Inkognito* in 2013 as well as the comedy show *Högklackat* in 2011. *The Master Plan* is his feature debut.

### Director's Comment

"I've always dreamt about making a Heist film. According to me it's the ultimate movie experience. It contains excitement, cool characters, smart plans and humor. *The Master Plan* was my opportunity to fulfil my dream.

Besides creating an intriguing plot my goal was to get the characters just right. They are the ones drawing the audience in emotionally, wishing they could be like them and hang out with them. I focused on the dynamics between our main characters and the actors carried it out perfectly when adapting the classic characters making them their own. It's been a crazy and fun journey and I'm now looking forward to having the audience buckle up their seatbelts and enjoy the ride as much as I did creating this movie."
