TOMMY

WHEN THE QUEEN RETURNS, SHE SETS THE CITY ON FIRE

Sills: Photographer: Baldur Bragason

A week before Christmas, Estelle lands at Arlanda Airport. A year earlier, she had left Stockholm on the run with her husband Tommy and their daughter, after Tommy had taken part in one of the biggest robberies ever in the history of Swedish crime.

Estelle seeks out Tommy's former cronies and claims that Tommy is on his way home. And he wants his share of the take. Word spreads like wildfire through Stockholm's underworld. If Tommy returns, the city will explode. And if he doesn't ... something even worse might happen. TOMMY is the story of the woman behind the man behind the headlines. A modern myth about when the Queen returned and the city burned. About two sisters, two mothers, three daughters and their men.

DIRECTOR - TARIK SALEH

Tarik Saleh (b. 1972) directs feature films, as well as documentaries, music videos and commercials. He launched his film career with the provocative drama series A CLASS OF ITS OWN for Sveriges Television in 2000, and the following year directed the multiple award-winning documentary SACRIFICIO- WHO BETRAYED CHE GUEVARA? in collaboration with Erik Gandini. The two directors also joined forces to make the feature documentary GITMO - THE NEW RULES OF WAR (2005) that follows the trails leading from Guantanamo Bay. The animated dystopia METROPIA (2009) - starring Vincent Gallo, Juliette Lewis and Stellan Skarsgård among others - marked Tarik's feature directorial debut, and was nominated and won a number of festival awards, including at the Venice Film Festival.

Over the past year, Tarik has directed several music videos for artists, including two for Lykke Li; *I Follow Rivers*, which has received over 35 million views on YouTube, and *Sadness is a Blessing*.

TOMMY is Tarik's third feature film project cooperating with producer Kristina Åberg, his partner in Stockholm based production company ATMO.
