# THE TOUGH GUYS

THE TOUGH GUYS is the story about 11-year-old Modulf who thinks he is some kind of super hero. Every day he is bullied by the toughest guys at school. And that's fine. Because if Modulf is the one being bullied – he rescues all the other children.

One day a new girl moves in next door, Lise. Lise does not agree with Modulf's theories. She cares, and creates havoc in the ranks - and suddenly she is the one in the middle of the storm who must be saved. Modulf is forced to face his own situation – and do something about it.

*"With THE TOUGH GUYS I wanted to make a funny, exciting, warm, touching and serious story about friendship and bullying. The book that the film is based on grabbed me firmly; it went straight to my heart. My hope is that this film can give children and grown-ups an unforgettable film experience."*
